Products

Good for your pet.
Good for the environment.

Made of wild natural seal skin, this nutritious, protein-packed Canadian Superfood is suitable for small to big dog breeds and all types of chewers. High in protein, iron, zinc and essential nutrients, these natural chews will help brush away plaque from your dog's teeth and gums with each chew. This alternative protein is not only nutritious, but also an hypoallergenic and eco-friendly alternative, responsibly sourced off the coast of Newfoundland and Labrador. This single ingredient chew uses no hormones, antibiotics or preservatives.

Ingredients: Seal skin.
