

Grinded Seal Meat (Bone-In)

For dogs & cats

Canadian
Seal
Products

Good for your pet.
Good for the environment.

This Canadian Superfood is the best all-round meat you can feed your cat or dog. High in protein, this hypoallergenic ingredient is filled with minerals (iron, zinc), vitamins (B-12) and Omega-3 fatty acids. Seal bones represent a good source of calcium, phosphorus and other minerals. This quality protein is ideal for dogs and cats with allergies and sensitivities, who often require special diets. It represents an excellent alternative for pet food manufacturers who are looking for a higher-protein, lower-fat, lower-calorie, sustainable and abundant resource option.

Ingredients: Seal meat, seal bones.

Nutrients*	Seal Meat
Proteins (%)	25
Moisture (%)	67
Carbohydrate (%)	0
Fibre (%)	0.96
Fat (%)	2
Ash (%)	7
Vitamin B-12 (mcg/kg)	45
Omega-3 (PUFA) (mg/kg)	1,800
