

Seal Soft Training Bites

For dogs

Canadian Seal Products

Good for your pet.
Good for the environment.

These Seal Soft Training Bites are perfect for puppies or senior dogs who can't chew hard treats. Soft treats are faster and easier for your pup to eat than crunchy treats, and they have a stronger aroma that helps keep your pup's attention during training. This alternative protein is not only nutritious, but also an hypoallergenic and eco-friendly alternative. Each grain-free bites are packed with all the naturally occurring benefits of seal meat including minerals (iron, zinc) and vitamins (B-12).

Ingredients: Seal meat, dark buckwheat flour, chicken paste, brewers yeast, apple fibre, Mold-x or Prevon, Naturox or Tordry, rosemary powder, lecithin, citric acid, glycerin, blackstrap molasses, vegetable oil, water.
