Seal Fur

Primarily in natural silver color with a characteristic black pattern, seal fur takes dye well and is available in a wide range of colors and patterns. Its soft, short and shiny guard hair are used in multiple application.

Seal Leather

Seal leather is incredibly versatile. Depending on a customer's specifications, it can meet both rugged and high-end uses.

Accessories

Purses, bags, wallets, gloves, earrings, bowties, tablet cases, etc.

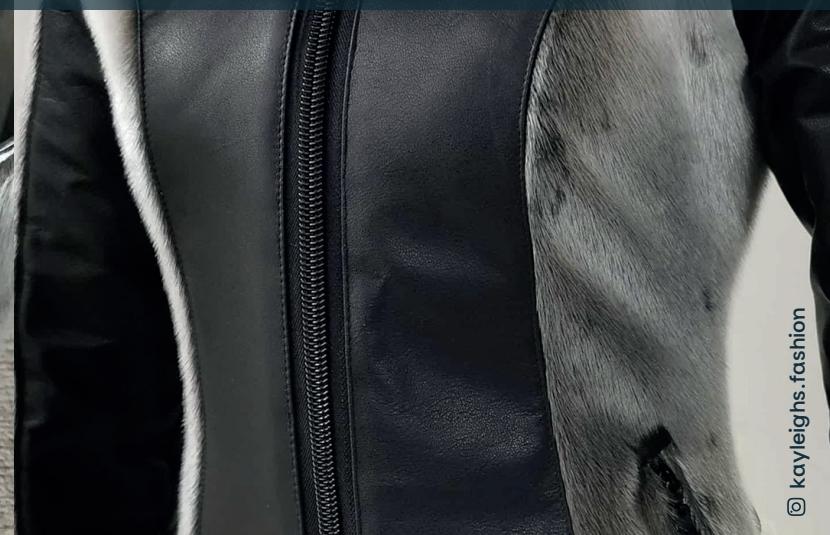

Clothing

Winter jackets, vests, skirts, etc.
